Re: Extension of the 2025 Digital Divide Grant Program Application Deadline

In Resolution T-17842, the California Public Utilities Commission (CPUC) established timelines for submission of applications for the California Teleconnect Fund (CTF) Digital Divide Grant Program (DDGP) account. The CPUC began accepting applications on December 12, 2024, with an established deadline for final submission of DDGP applications by February 12, 2025. Due to the number of applications received and the remaining available funds, it is reasonable to extend the 2025 DDGP application deadline to May 30, 2025.

Pursuant to Rule 16.6 of the Commission's Rules of Practice and Procedure, as Executive Director of the CPUC, I authorize that the current deadline for applications be extended from February 12, 2025, to May 30, 2025, and all subsequent deadlines, including the final deadline for acting on 2025 applications, be moved accordingly per the table below.

These changes only apply to 2025 DDGP applications; the timeline for future grants will follow the resolutions that approve those grants.

Revised 2025 DDGP Account Timeline

Activity	Date
Resolution setting forth the DDGP adopted	December 5, 2024
Application period begins	December 12, 2024
Application period ends	May 30, 2025
Staff review and scoring of grant applications completed	June 30, 2025
Awardees announced via Notice of Draft Resolution	July 2025

Activity	Date
Notice of Award provided upon adoption of Final Resolution	August 2025

Pursuant to Rule 16.6 of the Rules of Practice and Procedure, the DDGP Service and Distribution Lists are notified via electronic email of the revised application due dates.

Sincerely,

Rachel Peterson
Executive Director
