This interactive webinar and Q&A will provide California Advanced Services Fund (CASF) Broadband Infrastructure Account applicants and stakeholders with information on how to use the new online application portal for the upcoming November 2, 2026, application deadline.

The CASF Broadband Infrastructure Grant Account provides grants to build and expand broadband facilities to unserved areas with a goal of providing broadband access to no less than 98 percent of California households. The webinar will be held exclusively via virtual access. Further information and details will be posted soon!

If you have any questions about the webinar, please email CASF_workshop@cpuc.ca.gov
