**SUBJECT: CALIFORNIA LIFELINE PROGRAM HOUSEHOLD INCOME
LIMITS EFFECTIVE JUNE 1, 2020 THROUGH MAY 31, 2021**

The Communications Division (CD) of the California Public Utilities Commission (Commission) hereby notifies California LifeLine (California LifeLine) service providers of the California LifeLine income limits for June 1, 2020 through May 31, 2021.

Background

Commission's General Order (GO) 153, Section 5.2.1, provides that CD must adjust California LifeLine income limits by April 15th of each year to reflect inflation based on the Federal Consumer Price Index – Urban Areas (CPI-U). Further, GO 153, Section 5.2.1 states, "All California LifeLine Service Providers shall implement the adjusted California LifeLine income limits by no later than June 1st of each year" by filing revised tariffs or schedules of rates and charges and by revising their annual notice.

Calculation

The California LifeLine income limits used for the June 1, 2019 to May 31, 2020 period will increase by 2.3% CPI-U rate. CD obtained the 2.3% CPI-U rate from the U.S. Department of Labor, Bureau of Labor Statistics, Economic News Release, on January 14, 2020, for the 12 months ending December 2019, as reported at the following website address:
