RE: Compliance with Ordering Paragraph 9 of D.19-04-021 “Decision Authorizing Pilot Programs of Boost Mobile, Inc., and iFoster, Inc. in the California LifeLine Program” (R.11-03-013)

Dear Ms. Walker:

This letter is sent in compliance with Ordering Paragraph 9 of D.19-04-021, Entitled “Decision Authorizing Pilot Programs of Boost Mobile, Inc., and iFoster, Inc. in the California LifeLine Program” in R.11-03-013, dated May 3, 2019 (“Decision”).

Ordering Paragraph 9 of the Decision reads as follows: “Boost Mobile shall submit an information-only letter to the Communications Division describing the service plans for the pilot within 90 days from the effective date of the Decision and update the information-only letter as its service plans change.” (See Decision at p. 54.) Accordingly, Boost Mobile is hereby submitting to the California Public Utilities Commission’s Communications Division, this information-only letter that summarizes Boost Mobile’s current service plan offers that are available to Boost Mobile pilot program participants.

Boost Mobile’s Monthly Service Plan Options are as follows (and reflect the \$15 CA LifeLine-funded subsidy available to qualifying Boost Mobile pilot program participants):

Boost Monthly Plan	\$35	\$50	\$60
Pilot Participant Pays	\$20.00	\$35.00	\$45.00
Plan Includes			
<i>Talk</i>	Unlimited Talk		
<i>Text</i>	Unlimited Text		
<i>Data</i>	Unlimited Data w/3GB High-Speed Data	Unlimited High Speed Data	Unlimited High Speed Data
<i>Mobile HotSpot</i>	Uses plan data	12GB in plan	30GB in plan
<i>Video Speeds</i>	SD Video	SD Video	HD Video

All Plans

Include 50 domestic voice roaming minutes (sel. devices). Int'l. svcs. extra. Unlimited services are on-network only. Unlimited 4G LTE data where available. \$35 plan, after 3GB, speeds reduced to 2G.

Family Plan: Up to 5 lines total. Primary responsible for monthly pymt. for all lines & its add-ons. Secondary lines pay their one-time/add-on purchases. **Mobile Hotspot, VPN & P2P Limits:** 12GB on the \$50 plan; 30GB on \$60 plan; 50GB on \$80 plan. \$35 plan, usage draws from high-speed data then reduced to 2G speeds. **Other Terms:** Total plan price includes services, taxes and fees. Pymt. due on monthly pymt. date or acct. will be suspended. Sufficient funds must be added within 120 days of suspension or acct. will expire & acct. balance will be forfeited. No annual svc. contracts. Offers/coverage not avail. everywhere or for all phones/networks. Sprint 4G LTE network reaches over 300 million people. Boost reserves the right to change or cancel offer at any time. Prohibited network use rules & other restrictions apply. See boostmobile.com or store for details.

The table referenced above does not include the \$80 plan or Family plans because these types of promotional plans are not part of Boost Mobile's current rate card, and the specific attributes of these plans change frequently. Boost Mobile pilot plan participants are still able to sign up for promotional plans such as the \$80 plan or Family plans, and can apply the \$15 subsidy to those plans as well.

Please let me know if you require any additional information. Thank you for your attention to this matter.

With best wishes,

/s/ _____
