SUBJECT: Cox Communications Video Service Application

Dear Mr. Morris:

In accordance with California's Digital Infrastructure Video Competition Act (DIVCA), Cox Communications California L.L.C., doing business as Cox Communications, respectfully submits the following amendment to our existing state authorized Franchise Number 0003. Cox Communications seeks to replace current local franchises, covering Cox service area within the city of **Goleta** and within areas of **Santa Barbara County**, with the state video franchise. Video service is also provided in these areas by another state video franchise holder. We respectfully request the state video franchise amendment covering the covering these communities be effective on January 10, 2017.

Additionally, Cox requests the following information remain confidential:

- Number of Households Offered Video Service
- Number of Households Offered Broadband Service
- Number of Households Subscribing to Broadband Service

Enclosed is a copy of the state authorized amended franchise application, pursuant to California Public Utilities Code § 5840(e), utilizing the 2010 Census Bureau's census geometry and household data. A copy of this application has been mailed to the aforementioned local franchise authorities.

Should you have any questions or require additional information, please contact myself at 858-836-7313 or Marcie.Evans@cox.com, or you may reach Esther Northrup at 858-836-7308 or Esther.Northrup@cox.com.

Sincerely,
