Dear Mr. Pierce:

Charter Communications is submitting its twenty-seventh amendment for Spectrum Pacific West, LLC, State Video Franchise number 0020, to include new franchise service boundaries in four communities in South Prunedale, unincorporated Monterey County, CA. We anticipate the completion of construction and start of service availability to be on or after 10/27/2024. Pursuant to section 5840 (e)(1)(D) of the state code, I have notified Monterey County and provided a copy of the State application and attachments to the County Administrative Officer.

Consistent with the Practitioner's Alert relating to submission of paper documents during the COVID-19 Pandemic, Charter is only submitting this application for amendment electronically to the Communications Division. Please find attached:

1. Application for amendment including a signed affidavit
2. Shapefiles of the franchise area
3. A completed data template for the 4 areas
4. A list of Charter Communications' Principal Officers
5. A copy of the bond currently held by the franchisee as well as a rider updating the franchisee consolidation that took place in 2018 and 2019
6. A copy of the notice to the local franchising authority

The confidential socio-economic data will be submitted within 90 days of receiving the amended franchise certificate.
