NOTIFICATION:

On 03/18/2023 at approximately 1227 hours, I was on duty, in full police uniform driving a marked patrol vehicle #281. I was parked on the 600 block of Main St when I heard over the radio the California Public Utilities Commission (PUC) Investigator, Alexander Nera requesting SHPD to conduct a traffic enforcement on a black in color Ford E-450 tour bus [REDACTED] operating out of compliance.

INVESTIGATION:

As the bus traveled southbound on Main St and passed my location, I safely entered the southbound lane and conducted an enforcement stop of the bus on Main St and Dowdell Ln.

I performed a driver side's approach and contacted a male adult in the driver's seat, who was later identified by his California Driver's Licenses as, John Brian Kuhn. I informed Kuhn the reason for the stop and Kuhn stated he did not need a TCP permit to operate the bus because he does not go to the airport. I informed Kuhn that a PUC Investigator and a Napa County Investigator would talk to him about the TCP license and vehicle code compliance.

Investigator Nera confirmed the vehicle was operating with no TCP permit or certificate issued and stated the vehicle was in violation of CPUC 5411/1037, ref CPUC 5371-1031- *Misdemeanor/Unlawful to operate without proper PUC operating authority.*

Investigator Nera requested I impound the vehicle per CVC 14602.9.

During the contact on Main St, Kuhn asked Investigator Nera if it would be possible to drive the female passengers back to their rental house (1476 Inglewood Ave) because it was their final stop, and he did not want to leave them stranded on the side of the road. Investigator Nera stated that would be fine and we then followed the bus to 1476 Inglewood Ave.

Once I arrived at the final stop, I request a tow for the bus. Pope Valley Towing arrived on scene and took possession of the bus for a 30 day impound, per 14602.9 CVC. See attached "Authorization to Impound" by Public Utilities Commission of the State of California.

ADDITIONAL INFORMATION:

During my contact with Kuhn, I noticed he had approximately ten (10) female passengers in the rear limo style seating of the bus. I could also see red solo cups in the hands of the passengers and a strong odor of alcoholic beverage emitting from the cabin.
