INTRODUCTION

On July 9, 2024, I was assigned to investigate Five Star Adventures, Inc. (hereinafter referred to as Five Star Adventures). On June 14, 2024, at Port of America Operation, TEB Analyst observed Five Star Adventures employee driver Alan Louis Dorazio operating without Worker Compensation Insurance on file with the Commission [**Attachment 1**].

VIOLATIONS

The investigation from June 1, 2024, to November 14, 2024, disclosed violations of the following provisions of the Public Utilities (Pub. Util.) Code and Commission General Orders (G.O.):

- **Five Star Adventures Tours operated without Workers' Compensation Insurance Pub. Util. Code section 5378.1 [1 counts]**

On August 5, 2024, I sent a Cease and Dease Notice and data request to Five Star Adventures owner Annette Kesson via email at [REDACTED] [**Attachment 2**]. I have requested Five Star Adventure to provide waybills from June 1, 2024, to July 31, 2024, evidence of Workers' Compensation Insurance, Public Liability and Property insurance (PL/PD) policy, sub-carrier list/agreements and the last three years of tax returns. On August 7, 2025, Ms. Kesson responded to my data request and acknowledged that someone else was transporting her passengers without Workers' Compensation Insurance [**Attachment 3**].

According to the waybills Five Star Adventures provided and TEB's observation report, employee driver Alan Louis Dorazio operated without Workers' Compensation on June 14, 2024. [**Attachment 4**].

- **Five Star Adventures Tours Operated during revoked authority Pub. Util. Code section 5379 [5 counts]**

The Transportation Licensing and Analysis Branch's (TLAB) records showed that Five Star Adventure's authority status was revoked on July 9, 2024 [**Attachment 5**]. After reviewing Five Star Adventures' waybills, I found that Five Star Adventures operated 5 days after the revocation on July 9, 2024 [**Table 1 and Attachment 4**].

1. Driver’s name,
2. Vehicle license plate number,
3. Number of passengers,
4. Address of the person requesting or arranging the charter.

Subject: Data Request

Dear Annette Kesson:

The California Public Utilities Commission's (Commission) Consumer Protection and Enforcement Division (CPED) Transportation Enforcement Branch (TEB) is currently reviewing the Commission's records for intrastate transportation carriers that are regulated by the Commission.

Public Utilities Code Section 5389 authorizes the Commission and its staff to have access at any time to the land, buildings, or equipment of a charter-party carrier of passengers used in connection with the operation of its business and may inspect the accounts, books, papers, and documents of the carrier.

General Order 157-E, Part 6.01 specifically states in part that every carrier shall institute and maintain in its offices a set of records which reflect information as to the transportation services performed, including waybills, driver records, and safety and maintenance records including copies of all lease and sub-carrier agreements. Such records shall be maintained for a minimum period of three years.

Pursuant to Public Utilities Code Section 5389, the Commission is requesting a review of the Charter-Party intrastate transportation records for Five Star Adventures Inc. Failure to provide access to records is a misdemeanor punishable by a maximum of \$5,000, or by imprisonment in a county jail not exceeding one year, or by both fine and imprisonment, where each violation is a separate and distinct offense (Public Utilities Code Section 2110).

We are requesting that you present your documents listed below in electronic form. Please scan the following documents and email a copy to me at Mingfeng.li@cpuc.ca.gov by 8/16/2024.

1. Waybills for all intrastate TCP transportation, including transportation performed as Five Star Adventures Inc for June 1, 2024, to July 31, 2024.
2. Evidence of current Workers Compensation Insurance coverage, with employee list and classifications, for both authorities.
3. Your current public liability and property damage insurance policy showing schedule of vehicles and drivers insured,
4. List of all current sub-carriers and agreements,
5. Vehicle accident records including insurance loss runs showing dates of accidents and drivers' names for the last five (5) years,
6. Last three (3) years of filed Federal and State Income Tax Returns,
7. Other Fictitious Business Names (FBN) doing business as (dba),
8. All pre-employment and random drug test results for all your drivers within the last six (6) months

CPED reserves the right to amend, add to or revise this Data Request in the future if necessary.

Any responsive records provided by you that have been properly labeled and submitted as confidential will be treated as such, under Public Utilities Code Section 583 (see also General Order 66-D). Confidential documents will not be released to the public except as required by law following a Public Records Request and redaction of confidential material.

Hi Ming,

To address the Data Request letter:

On June 14th, 2024 I had a friend drop guests at the Port of LA as I was ill and could not do it. He is not an employee, he is a friend doing a favor for me. Therefore there is no Workers Comp.

I do not have Sub-Carriers so there are no agreements.

There have been no accidents or incidence.

No other FBN or DBA

Here is the latest drug test for me, Annette Kesson

Can you please be more clear about the "Waybills" I do not have a document issued to a carrier as I am the carrier.

As far as the liability and property insurance, I thought you have that listed already on my authority [REDACTED]. I am contacting my insurance co. and accountant to send the additional info.

Thank you,

Annette Kesson

GREAT HISTORY

enjoy this moments

My wife and I did this tour last year, but brought other family members along this time. Annette was the tour guide this time and did a great job. She knew her stuff - the town, the history, the architecture, as well as who lived where. I am not a "celebrity impressed" guy, but this tour was well worth the time and money, and she did well.
