## INTRODUCTION

On March 26, 2025, I was assigned to investigate the operations and practices of SoCal Travel Tours (hereinafter referred to as SoCal Travel) following a consumer complaint received by the Transportation Enforcement Branch (TEB) alleging that the carrier was operating and advertising without a TCP permit [Attachment 1].

## VIOLATION

The investigation from March 26, 2025, to April 23, 2025, revealed violations of the following provisions of the Public Utilities (Pub. Util.) Code and a Commission General Order (GO):

- **SoCal Travel Tours was found advertising illegally in violation of Pub. Util. Code Section 5414.5 [1 count].**

On March 27, 2025, I called SoCal Travel at [REDACTED] and left a voicemail message. On April 15<sup>th</sup>, I received a call from Jordan Villa at [REDACTED], the carrier's representative, due to the carrier's limited ability to speak or understand English. I informed Mr. Villa of the TCP permit requirements and the license section's email address for any other permit-specific questions.

Following the phone conversation, I sent Mr. Villa an email at [REDACTED], serving the carrier a Notice to Cease and Desist (C&D) letter. Additionally, I provided him with the necessary information regarding applying for a TCP permit, and also gave him a deadline of May 9<sup>th</sup> for SoCal Travel to remove all online advertisements [Attachment 2]. In the same email, I also provided Mr. Villa with the email address of our Licensing Branch ([licensing@cpuc.ca.gov](mailto:licensing@cpuc.ca.gov)), in case he or the carrier had any follow-up questions regarding the permit process.

On April 17<sup>th</sup>, I received an email from Yukako Ogata, the Chief Coordinator, stating she had received my C&D and understands the expectations to stop providing transportation services immediately and to remove all advertisements by May 9<sup>th</sup> [Attachment 3]. I responded to Ms. Ogata and provided our Licensing Branch's email address in case she had any questions related to

the permit process **[Attachment 3]**. My investigation included searches on Google, Yelp, and Nextdoor to identify additional platforms where the carrier may be advertising. However, the only observed advertising presence was on the carrier's website (socal-travel.com/socaltraveltour.com). I observed the carrier advertising from April 15<sup>th</sup> through April 23<sup>rd</sup> **[Attachment 4]**, but the carrier was cooperative with the instructions to remove its website by May 9<sup>th</sup> **[Attachment 5]**. The carrier initiated the application process in April 2025; however, the carrier's TCP number, 47879, remains inactive as of June 17, 2025 **[Attachment 6]**.

## **DECLARATION**

I have read the foregoing and know the contents thereof and I declare under penalty of perjury that the foregoing is true and correct, except as to those matters stated on information and belief, and to those matters, I believe to be true.

Executed on June 19, 2025, in San Francisco, California

Unlicensed charter patry career

I requested a sightseeing tour from this company a few days ago. When I asked for the license number, they replied that they do not have a license and that individuals do not need a license. It is an unregistered and illegal company. They also asked me to transfer the fee overseas. I think they are also evading taxes.

These are the exact same websites. It is only a Japanese language site.

Good afternoon Jordan,

Thank you for giving me a call regarding SoCal Travel Tours, as the owners are not able to speak or understand English very well. As discussed on the phone, this carrier must have a license to advertise and provide transportation services for hire.

I am attaching a cease-and-desist, stating SoCal Travel Tours must immediately cease any advertisements and transportation services until receiving a permit from the California Public Utilities Commission (CPUC). Please have the owners remove the website by May 9, 2025, and immediately halt any transportation services. Failure to do so may result in a citation.

Additionally, from our conversation, I also understood that you were looking for information to provide to the owners so they can begin the process of applying for a permit.

Before applying, here is some information that you need to know and must do: [Licensing Requirements for Charter-Party Carriers](#)

Here is the link to the application: [Welcome to TCP Portal \(ca.gov\)](#)

If you have permit-specific questions, such as how long the approval process is or which permit you should apply for, you may contact our Licensing department at [licensing@cpuc.ca.gov](mailto:licensing@cpuc.ca.gov).

Please feel free to give me another call or respond to this email if you have any additional questions.

Thank you,

### Greetings from the Representative

Nice to meet you all!

I'm Yukako Ogata, the chief coordinator.

What do you think of when you think of Los Angeles?

Theme parks like Universal Studios or Disneyland? Santa Monica or Hollywood?

No, no, Los Angeles has so much more to offer than just entertainment!

I was not interested in Los Angeles at all, but now I am completely captivated by it.

Let's find your favorite places together that are not even in the guidebook, that no one knows, and that ♪

are unique to you Whether it's a

bullet tour or a leisurely tour, it's at your disposal! We will support you in your journey at your own pace.

With the attention to detail and flexibility that large tour companies can't do, we can say, "Everyone wants to do it!  to go!" In order to make the most of it, I definitely want to go

here! I want to experience this place as well! If there is a place to say, please do not hesitate to say it.

We will help you create your journey with all our hearts.

Also, I am a mom of two children, so I am good at traveling with children!

If you are wondering that traveling abroad with children is a high hurdle, please feel free to contact us ♪
