INTRODUCTION

On November 7, 2025, I was assigned to investigate the operations and practices of Haitao SD LLC (hereinafter referred to as Haitao) because of a complaint alleging that Haitao operated at San Diego International Airport (SAN) without displaying a Transportation Charter-Party Carrier (TCP) number on the vehicle front bumper, improperly displaying the TCP number on the vehicle rear license plate bracket, and operating a vehicle that was not on its equipment list in the Transportation Licensing and Analysis Branch (TLAB) database.

VIOLATIONS

I investigated Haitao for the period of October 29, 2025, and found a violation of the following provisions of the Public Utilities (Pub. Util.) Code and California Public Utilities Commission (CPUC) General Order (G.O.):

- **Failure to display Transportation Charter-Party (TCP) number in full on vehicle, including the prefix “TCP” and authority suffix, in violation of Pub. Util. Code Sections 5385 and G.O. 157-E, Part 4.04. [1 count]**

On October 29, 2025, CPUC Transportation Enforcement Analyst, Kim Quach-Castro, captured photo evidence and issued Haitao an Observation Report for operating at SAN without displaying TCP 46604-A on the front bumper of vehicle with license plate # [REDACTED] and improperly displaying the TCP on the rear license plate bracket [**Attachment 1**]. San Diego Police Officer S. Wilson also issued Notice of Violation #31439 to the driver for violating authority rules and regulations alongside the Observation Report [**Attachment 2**].

The Observation Report issued in the field on October 29, 2025, also stated the Haitao had 10 days to list the vehicle with license plate # [REDACTED] with the CPUC. Haitao complied with this requirement on November 12, 2025.

My investigation disclosed that Haitao operated for one day without displaying its TCP number in full on vehicle with license plate # [REDACTED].

DECLARATION

I have read the foregoing and know the contents thereof and I declare under penalty of perjury that the foregoing is true and correct, except as to those matters stated on information and belief, and to those matters, I believe to be true.

Executed on March 26, 2026, in Lodi, California.
