- (1) Operation of a vehicle without completing a verified, initial 19-point inspection before entering passenger service, in violation of CPUC General Order 157-E, Part 4.05 [**3 counts, based on 3 days of unauthorized operation**].

STATEMENT OF FACTS

The above violations are documented in the attached Investigation Report, which consists of the carrier's records and substantiating documents obtained from other sources.

RESPONSE

The CPUC's Transportation Enforcement Branch (TEB) used the Penalty Assessment Methodology adopted in Resolution M-4846, and considered mitigating and exacerbating factors in setting the fine.

Waymo LLC is hereby called upon to answer this citation on or before November 23, 2026. By way of such answer, Waymo LLC may:

- (1) Pay a fine of \$20,000 (see the enclosed Penalty Assessment Methodology Form) pursuant to Pub. Util. Code Section 5378. Payment may be submitted online through TCPortal (<https://tcportal.cpuc.ca.gov/s/login/>) using a credit card, ACH, or by check. Upon payment, the fine will be deposited in the State Treasury to the credit of the General Fund and the Commission staff will deem the matter closed.
- (2) Contact the Supervisor below to make payment arrangements.
- (3) Contest this Citation by filing an Appeal. See attached document "*How to File an Appeal and Instructions for Filing a Notice of Appeal and Certificate of Service for a Citation Appeal.*"

If Waymo LLC fails to respond by November 23, 2026, it will be in default and will have forfeited its right to appeal the Citation. In addition, Waymo LLC's operating authority will be immediately suspended and may be subsequently revoked pursuant to Resolution ALJ-187. The Commission may also act, through a civil or criminal proceeding, to recover any unpaid fine and ensure compliance with all applicable statutes and Commission orders.

INTRODUCTION

On October 16, 2026, I was assigned to review the Transportation Enforcement Branch's (TEB) data requests and correspondence documents pertaining to the operations and practices of Waymo LLC (hereinafter, "Waymo"), regarding possible violations of General Order (GO) 157-E, Parts 4.05 and 4.06. Waymo operates under TCP No. 38152-A. The investigation involved a Waymo vehicle bearing license plate [REDACTED] and vehicle identification number [REDACTED]. The investigation was initiated following a review of records related to the June 22, 2025 incident in Santa Monica, California and Waymo's responses to the CPUC's data requests.

VIOLATIONS

TEB investigated Waymo regarding the period of January 25, 2025 through October 16, 2026, and found the following violations of the following provisions of the Public Utilities (Pub. Util.) Code and Commission General Orders (GO):

- **Operation of a vehicle without completing a verified, initial 19-point vehicle inspection before entering passenger service, in violation of GO 157-E, Part 4.05 [3 counts, based on 3 days of unauthorized operation]**

On June 22, 2025, a Waymo autonomous vehicle (AV), bearing California license plate [REDACTED] and vehicle identification number [REDACTED], was involved in an incident in Santa Monica, California. During its investigation, TEB requested records related to the Waymo vehicle, including its 19-point vehicle inspection records. On August 1, 2025, TEB issued Data Request No. Waymo 25-08-001 [Attachment 1].

In its response dated August 18, 2025, Waymo stated that the vehicle began passenger service on January 25, 2025, and underwent an initial 19-point vehicle inspection on January 24, 2025. However, Waymo was unable to locate or provide the inspection record. [Attachment 2] On January 8, 2026, TEB issued a Notice of Probable Violation (NOPV) regarding Waymo's compliance with GO 157-E, Parts 4.05 and 4.06. In its February 9, 2026 response to the NOPV,

Waymo claimed that the initial 19-point vehicle inspection was completed on January 24, 2025. However, Waymo failed to provide the inspection record. According to Waymo, the vehicle operated for three days before being removed from service on January 28, 2025. **[Attachment 3]**.

- **Failure to maintain and produce records showing completion of the required, initial 19-point vehicle inspection, in violation of GO 157-E, Part 4.06 [1 count].**

On January 8, 2026, TEB issued a NOPV regarding Waymo's compliance with GO 157-E, Parts 4.05 and 4.06. In its February 9, 2026 response, Waymo claimed that it had completed the required 19-point vehicle inspection on January 24, 2025 for the vehicle bearing California license plate [REDACTED] and [REDACTED]. However, Waymo admitted that it had failed to maintain the inspection record. Instead, Waymo provided a screenshot of an internal work order purporting to show "TCP Inspection Complete" on January 24, 2025. The screenshot did not contain the completed 19-point vehicle inspection record. **[Attachment 3]**

[Frequently Asked Questions](#)

WHAT HAPPENS IF I DON'T RESPOND?

If you do not respond to the citation within the 20 calendar days, you will be in default of the citation, and will lose your right to appeal the citation. In addition, CPED will immediately suspend your operating authority. If you do not pay the citation amount or make a payment arrangement by 30 days after suspension of your operating authority, CPED will revoke your operating authority. Once we revoke your operating authority, we cannot reinstate it. Instead, first you must pay the citation fine, and then apply to the CPUC for **new** operating authority and pay a filing fee. The CPUC may also act through a civil or criminal proceeding to recover any unpaid fines and to ensure compliance with applicable statutes and CPUC orders.

WHAT ARE MY RIGHTS?

If you file a Notice of Appeal, the CPUC will set a **hearing date** for your appeal to be heard before an Administrative Law Judge (ALJ).

[Hearing Venue:](#)

Appeal hearings may be conducted by telephone, by WebEx, or in person. The date, time, and location (remote or in-person) for your hearing will be provided by the ALJ in advance of your hearing.

At the hearing:

There are two different types of Hearing Procedures for an Appeal to be heard before a CPUC Administrative Law Judge.

Expedited Citation Appeal Procedure

Resolution ALJ-377 provides for an expedited process for citations at or below the jurisdictional limit of the Small Claims Court in California as referenced in Public Utilities Code § 1702.1. This is currently \$10,000 for individuals and \$5,000 for corporations.

- Attorneys or representatives are not allowed to represent parties in the expedited process.
- No court reporters will be present, nor will a transcript be provided.
- You are entitled to have an interpreter present at the hearing to translate for you. The CPUC will provide the interpreter free of charge. To have an interpreter at the hearing, you must make a written request to the Chief Administrative Law Judge and to the Office of the Public Advisor (see contact information, on this form) no later than five business days before the date of your hearing.
- You may provide evidence and call witnesses to testify for you. If you will be providing evidence for the record of the hearing, you must provide that evidence to CPED no later than three days before the date of your hearing.
- A party who is subject to the Expedited Citation Appeal Procedure, may at any time before the swearing in of the first witness at the evidentiary hearing, request termination of the Expedited Citation Appeal Procedure, and that the matter be recalendared for hearing under the Commission's regular procedure for Citation Appeals. The Commission or the assigned Administrative Law Judge, when the public interest so requires, may at any time before the filing of a resolution addressing the Citation Appeal, terminate the Expedited Citation Appeal Procedure and recalendar the matter for hearing under the Commission's regular procedure for Citation Appeals.

Regular Procedure for Citation Appeals

For cases exceeding the small claims threshold above, or when the appellant requests termination of the expedited procedure, the CPUC will use the regular procedure for citation appeals.

- You may have an attorney or someone else represent you, but you must pay for the attorney or other representative.
- You may ask for a transcript of the hearing, but you must pay the cost of the transcript.
- You are entitled to have an interpreter present at the hearing to translate for you. The CPUC will provide the interpreter, and you will not have to pay for the interpreter's service. To have an interpreter at the hearing, you must make a written request to the Acting Chief Administrative Law Judge and to the Office of the Public Advisor (see contact information, below) no later than five business days before the date of your hearing.

- You may provide evidence and call witnesses to testify for you. If you will be providing evidence for the record of the hearing, you must provide that evidence to CPED no later than three days before the date of your hearing.

WHERE CAN I GET HELP?

CERTIFICATE OF SERVICE FORM

Note 1: *If you are filing the Notice of Appeal in hard copy, the Certificate of Service MUST be attached to the Notice of Appeal. If you are filing the Notice of Appeal electronically, according to P&P Rule 1.13(b), the Certificate of Service must be transmitted with the document as a separate document when filing electronically, and this separate document must have its own caption. (See generally Citation Appellate Rule 6 and P&P Rule 1.9(e).)*

Note 2: *A Citation Appeal must be served at a minimum on the Chief Administrative Law Judge (with a copy to: ALJ_Div_Appeals_Coordinator@cpuc.ca.gov), and on the Director of the Consumer Protection and Enforcement Division, on the same day that the Notice of Appeal is filed. N. Insert the names and addresses (and email addresses if served electronically) of the persons served with the Notice of Appeal. The generic position names and addresses for the Chief Administrative Law Judge and Director of the Consumer Protection and Enforcement Division are listed on the template. Because the persons in these positions may change, you will have to look up the individual names and email addresses to insert in the template. These names and email addresses can be found on the Commission website.

O. Insert the date the Certificate of Service is signed.

P. Insert the name of the city in which the Certificate of Service is signed.

Q. The person who serves the Notice of Appeal must sign the Certificate of Service and their name must be printed under the signature line.

PRIVACY NOTICE FORM

Note: *The citation appeal is filed with the CPUC, becomes a public record, and will be posted on the Commission's website. Therefore, any information you provide in the Notice of Appeal, including but not limited to, your name, address, city, state, zip code, telephone number, email address, the facts of your rationale for the citation appeal and any other facts stated therein, will be available on-line for later public viewing. The Privacy Statement attached to the Notice of Appeal must be filled out.*

In limited circumstances, the CPUC may file a document under seal. If you wish to seek to file the Notice of Appeal with some or all of the information under seal, you cannot file electronically and must file in hard copy. Furthermore, that document must be tendered with a motion setting forth the rationale and legal citations as to why portions of the document should be filed under seal and tendered as follows. The Notice of Appeal itself and requisite exact copies should be tendered in both a redacted form (e.g., the document with the alleged confidential information excised) and unredacted form (e.g., a complete copy of the document, with both the public and allegedly confidential information included, in a sealed envelope). It is anticipated that Notices of Appeal for citation appeals will be filed as public documents. In the unlikely event you believe that there are legal grounds for filing a portion of the Notice of Appeal under seal, it may be helpful to consult a private attorney or representative to assist in your representation. However, please note that the timeframes for filing a Notice of Appeal in many citation appeals are short, so you should commence this process as soon as possible.

R. Sign and date the Privacy Notice and print your name under the signature.

PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Resolution ALJ-187
Administrative Law Judge Division
September 22, 2005

RESOLUTION

RESOLUTION ALJ-187. Adopts Procedures for Appeal of Citations Issued to Household Goods Carriers, Charter Party Carriers, and Passenger Stage Corporations.

By a series of previous resolutions, the Commission has developed a program under which the Consumer Protection and Safety Division (CPSD) is authorized to issue citations to various classes of carriers for violation of the Public Utilities Code or Commission orders. In turn, a carrier issued such a citation may accept the fine imposed or contest it through a process of appeal. Now, in an effort to make this program more comprehensive and this process more efficient, the Commission has prepared new procedures to govern the appeal of these citations.

A draft of this resolution was issued on August 19, 2005, for public review and comment. No one filed comments. The resolution is adopted as originally proposed with minor clarifications.

IT IS THEREFORE RESOLVED that the following procedures shall govern appeals of citations for violation of statutes or Commission orders relating to household goods carriers, charter party carriers, and passenger stage corporations:

1. *Citation: Contents.* The citation served upon the respondent by the investigator shall include:
 - (a) A specification of each statute or Commission order allegedly violated;
 - (b) A statement of the facts upon which each alleged violation is based;
 - (c) A statement that the respondent may either pay the amount of the fine set forth in the citation or appeal the citation, as set forth herein, and that the respondent will forfeit the right to appeal the citation by failing to do either of these things within the allowable period;

- (d) An explanation of how to file an appeal, including an explanation of the respondent's right to have a hearing, to have a representative at the hearing, to request a transcript, and to request an interpreter; and
 - (e) A form of Notice of Appeal, and the form for requesting an interpreter.
- 2. *Citation: Response.* The respondent, within 20 days after the date of service of the citation, shall either remit payment of the full amount of the fine to CPSD, agree with CPSD on conditions for payment, or serve a Notice of Appeal upon CPSD. Upon request made to CPSD before the expiration of this deadline, the time to pay the fine or serve a Notice of Appeal may be extended by CPSD for a reasonable period not to exceed 30 days. CPSD may, in its discretion, grant one additional extension at the request of the respondent.
- 3. *Citation: Payment of fine; default.* If the respondent pays the full amount of the fine within the time allowed hereunder, the citation shall become final. If the respondent, within the time allowed pursuant to Paragraph 2, fails to pay the full amount of the fine or to file a Notice of Appeal, or if the respondent, having entered into an agreement with CPSD, fails to comply with any provision of that agreement, the respondent shall be in default, and the citation shall become final. In this event, the respondent shall have forfeited its right to appeal the citation, and CPSD shall immediately suspend the respondent's license. If the respondent fails to pay the full amount of the fine within 30 days thereafter, CPSD shall revoke the respondent's license, and may take any other action provided by law to recover any unpaid fine and ensure compliance with applicable statutes and Commission orders.
- 4. *Citation: Appeal.*
 - (a) The Chief Administrative Law Judge shall designate an Administrative Law Judge to hear appeals of citations.
 - (b) Appeals of citations shall be heard in the Commission's San Francisco or Los Angeles courtrooms on regularly scheduled days. Appeals shall be calendared accordingly, except that a particular matter may be recalendared at the direction of the designated Administrative Law Judge.
 - (c) The appeal shall be brought by serving a Notice of Appeal upon CPSD, and the respondent shall indicate the grounds for the appeal in the notice. CPSD shall promptly advise the Chief Administrative Law Judge upon receipt of a timely Notice of Appeal.
 - (d) Upon advice from CPSD that a citation has been appealed, the Chief Administrative Law Judge shall promptly forward the matter to the

designated Administrative Law Judge, who shall set the matter for hearing on the first Citation Calendar not less than 10 days after advice of the appeal is received from CPSD. The Administrative Law Judge may, for good cause shown or upon agreement of the parties, grant a reasonable continuance of the hearing.

- (e) The respondent may order a transcript of the hearing, and shall pay the cost of the transcript in accordance with the Commission's usual procedures.
 - (f) The respondent shall be entitled to the services of an interpreter at the Commission's expense upon written request to the Chief Administrative Law Judge not less than three business days prior to the date of the hearing.
 - (g) The respondent may be represented at the hearing by an attorney or other representative, but such representation shall be at the respondent's sole expense.
 - (h) At the hearing, CPSD shall open and close. The Administrative Law Judge may, in his or her discretion, alter the order of presentation. Formal rules of evidence do not apply, and all relevant and reliable evidence may be received in the discretion of the Administrative Law Judge.
 - (i) Ordinarily, the appeal shall be submitted at the close of the hearing. In the discretion of the Administrative Law Judge upon a showing of good cause, the record may be kept open for a reasonable period to permit a party to submit additional evidence or argument.
 - (j) The Administrative Law Judge shall issue an order resolving the appeal not later than 30 days after the appeal is submitted, and the order shall be placed on the first available agenda, consistent with the Commission's applicable rules.
 - (k) From the date that CPSD receives a Notice of Appeal to and including the date when the final order is issued, neither the respondent nor the investigator, or agent or other person on behalf of the respondent or investigator, may communicate regarding the appeal, orally or in writing, with a Commissioner, Commissioner's advisor, or Administrative Law Judge, except as expressly permitted under these procedures.
5. *New Operating Authority.* A carrier whose license has been revoked hereunder may apply for new operating authority upon paying the fine in full. The application shall document (1) full payment of the fine, (2) correction of all violations for which the carrier was cited, (3) actions the carrier proposes in

order to prevent future violations, and (4) any other evidence demonstrating the carrier's ability and commitment to conducting its proposed operations in compliance with statutes and Commission orders.

This resolution becomes effective today.
