## INTRODUCTION

On February 9, 2026, I was assigned to investigate the operations and practices of Hasibullah Dawar, who was utilizing a San Francisco Flywheel Taxi, because Mr. Dawar was soliciting two passengers at Levi's Stadium to provide transportation services to the San Francisco Airport. This incident occurred during a joint operation with the California Highway Patrol (CHP) and Santa Clara Police Department at Levi's Stadium on February 8, 2026. Mr. Dawar's Flywheel Taxicab, with license plate [REDACTED], was then subsequently impounded by CHP [**Attachment 1**].

## VIOLATION

The investigation of Hasibullah Dawar found the following provisions of the Public Utilities (Pub. Util.) Code and a Commission General Order (GO):

- **Operated as a charter-party carrier without authority in violation of Pub. Util. Code Section 5371 [1 count]**

On February 8, 2026, CHP Officer Jeffrey Ng was approached by a passenger who stated a gentleman operating a taxicab solicited him, offering to take his party to the San Francisco Airport (SFO) for \$300. Officer Ng followed the passenger to the taxi and noticed it was an illegally operating San Francisco cab. Officer Ng approached the driver, and Mr. Dawar confirmed he would take two passengers to SFO for \$300. I confirmed with the Transportation Licensing and Analysis Branch's (TLAB) database that Mr. Dawar has never held any operating authority from the Commission.

Mr. Dawar operated a passenger vehicle for compensation without CPUC authority, in violation of California Pub. Util. Code §5371, which requires any charter-party carrier of passengers, including TNC drivers, to obtain a CPUC certificate or permit before operating for compensation. As a result, I served an Observation Report and Cease-and-Desist [**Attachment 3**] to Mr. Dawar for operating without authority. Subsequently, I submitted the Request to Impound Form (CHP 180) to CHP Officer Ng (Badge #23558) to impound the vehicle. [**Attachment 4**].

I have read the foregoing and know the contents thereof and I declare under penalty of perjury that the foregoing is true and correct, except as to those matters stated on information and belief, and to those matters, I believe to be true.

**WHAT ARE MY RIGHTS?**

If you file a Notice of Appeal, the CPUC will set a **hearing date** for your appeal to be heard before an Administrative Law Judge (ALJ).

**[Hearing Venue:](#)**

Appeal hearings may be conducted by telephone, by WebEx, or in person. The date, time, and location (remote or in-person) for your hearing will be provided by the ALJ in advance of your hearing.

### **At the hearing:**

There are two different types of Hearing Procedures for an Appeal to be heard before a CPUC Administrative Law Judge.

### **Expedited Citation Appeal Procedure**

Resolution ALJ-377 provides for an expedited process for citations at or below the jurisdictional limit of the Small Claims Court in California as referenced in Public Utilities Code § 1702.1. This is currently \$10,000 for individuals and \$5,000 for corporations.

- Attorneys or representatives are not allowed to represent parties in the expedited process.
- No court reporters will be present, nor will a transcript be provided.
- You are entitled to have an interpreter present at the hearing to translate for you. The CPUC will provide the interpreter free of charge. To have an interpreter at the hearing, you must make a written request to the Chief Administrative Law Judge and to the Office of the Public Advisor (see contact information, on this form) no later than five business days before the date of your hearing.
- You may provide evidence and call witnesses to testify for you. If you will be providing evidence for the record of the hearing, you must provide that evidence to CPED no later than three days before the date of your hearing.
- A party who is subject to the Expedited Citation Appeal Procedure, may at any time before the swearing in of the first witness at the evidentiary hearing, request termination of the Expedited Citation Appeal Procedure, and that the matter be recalendared for hearing under the Commission's regular procedure for Citation Appeals. The Commission or the assigned Administrative Law Judge, when the public interest so requires, may at any time before the filing of a resolution addressing the Citation Appeal, terminate the Expedited Citation Appeal Procedure and recalendar the matter for hearing under the Commission's regular procedure for Citation Appeals.

### **Regular Procedure for Citation Appeals**

For cases exceeding the small claims threshold above, or when the appellant requests termination of the expedited procedure, the CPUC will use the regular procedure for citation appeals.

- You may have an attorney or someone else represent you, but you must pay for the attorney or other representative.
- You may ask for a transcript of the hearing, but you must pay the cost of the transcript.
- You are entitled to have an interpreter present at the hearing to translate for you. The CPUC will provide the interpreter, and you will not have to pay for the interpreter's service. To have an interpreter at the hearing, you must make a written request to the Acting Chief Administrative Law Judge and to the Office of the Public Advisor (see contact information, below) no later than five business days before the date of your hearing.

- You may provide evidence and call witnesses to testify for you. If you will be providing evidence for the record of the hearing, you must provide that evidence to CPED no later than three days before the date of your hearing.

### **WHERE CAN I GET HELP?**

The CPUC's **Public Advisor's Office** can help you file your appeal. The Public Advisor's Office cannot appear at the hearing with you or help you present your appeal but can help you understand the appeal process. The Public Advisor's Office can be reached at:

If you are filing the Notice of Appeal electronically, according to P&P Rule 1.13(b), the Certificate of Service must be transmitted with the document as a separate document when filing electronically, and this separate document must have its own caption. (See generally Citation Appellate Rule 6 and P&P Rule 1.9(e).)*

**Note 2:** *A Citation Appeal must be served at a minimum on the Chief Administrative Law Judge (with a copy to: [ALJ Div Appeals Coordinator@cpuc.ca.gov](mailto:ALJ_Div_Appeals_Coordinator@cpuc.ca.gov)), and on the Director of the Consumer Protection and Enforcement Division, on the same day that the Notice of Appeal is filed. The Notice of Appeal must also be served on other entities if required by the Citation Program. (See Citation Appellate Rule 6.)*

M. Insert the date that the Notice of Appeal is served.

N. Insert the names and addresses (and email addresses if served electronically) of the persons served with the Notice of Appeal. The generic position names and addresses for the Chief Administrative Law Judge and Director of the Consumer Protection and Enforcement Division are listed on the template. Because the persons in these positions may change, you will have to look up the individual names and email addresses to insert in the template. These names and email addresses can be found on the Commission website.

O. Insert the date the Certificate of Service is signed.

P. Insert the name of the city in which the Certificate of Service is signed.

Q. The person who serves the Notice of Appeal must sign the Certificate of Service and their name must be printed under the signature line.

## **PRIVACY NOTICE FORM**

***Note:** The citation appeal is filed with the CPUC, becomes a public record, and will be posted on the Commission's website. Therefore, any information you provide in the Notice of Appeal, including but not limited to, your name, address, city, state, zip code, telephone number, email address, the facts of your rationale for the citation appeal and any other facts stated therein, will be available on-line for later public viewing. The Privacy Statement attached to the Notice of Appeal must be filled out.*

*In limited circumstances, the CPUC may file a document under seal. If you wish to seek to file the Notice of Appeal with some or all of the information under seal, you cannot file electronically and must file in hard copy. Furthermore, that document must be tendered with a motion setting forth the rationale and legal citations as to why portions of the document should be filed under seal and tendered as follows. The Notice of Appeal itself and requisite exact copies should be tendered in both a redacted form (e.g., the document with the alleged confidential information excised) and unredacted form (e.g., a complete copy of the document, with both the public and allegedly confidential information included, in a sealed envelope). It is anticipated that Notices of Appeal for citation appeals will be filed as public documents. In the unlikely event you believe that there are legal grounds for filing a portion of the Notice of Appeal under seal, it may be helpful to consult a private attorney or representative to assist in your representation. However, please note that the timeframes for filing a Notice of Appeal in many citation appeals are short, so you should commence this process as soon as possible.*

R. Sign and date the Privacy Notice and print your name under the signature.

Resolution ALJ-187  
Administrative Law Judge Division  
September 22, 2005

**R E S O L U T I O N**

RESOLUTION ALJ-187. Adopts Procedures for Appeal of Citations Issued to Household Goods Carriers, Charter Party Carriers, and Passenger Stage Corporations.

---

By a series of previous resolutions, the Commission has developed a program under which the Consumer Protection and Safety Division (CPSD) is authorized to issue citations to various classes of carriers for violation of the Public Utilities Code or Commission orders. In turn, a carrier issued such a citation may accept the fine imposed or contest it through a process of appeal. Now, in an effort to make this program more comprehensive and this process more efficient, the Commission has prepared new procedures to govern the appeal of these citations.

A draft of this resolution was issued on August 19, 2005, for public review and comment. No one filed comments. The resolution is adopted as originally proposed with minor clarifications.

**IT IS THEREFORE RESOLVED** that the following procedures shall govern appeals of citations for violation of statutes or Commission orders relating to household goods carriers, charter party carriers, and passenger stage corporations:

1. *Citation: Contents.* The citation served upon the respondent by the investigator shall include:
  - (a) A specification of each statute or Commission order allegedly violated;
  - (b) A statement of the facts upon which each alleged violation is based;
  - (c) A statement that the respondent may either pay the amount of the fine set forth in the citation or appeal the citation, as set forth herein, and that the respondent will forfeit the right to appeal the citation by failing to do either of these things within the allowable period;

- (d) An explanation of how to file an appeal, including an explanation of the respondent's right to have a hearing, to have a representative at the hearing, to request a transcript, and to request an interpreter; and
  - (e) A form of Notice of Appeal, and the form for requesting an interpreter.
2. *Citation: Response.* The respondent, within 20 days after the date of service of the citation, shall either remit payment of the full amount of the fine to CPSD, agree with CPSD on conditions for payment, or serve a Notice of Appeal upon CPSD. Upon request made to CPSD before the expiration of this deadline, the time to pay the fine or serve a Notice of Appeal may be extended by CPSD for a reasonable period not to exceed 30 days. CPSD may, in its discretion, grant one additional extension at the request of the respondent.
3. *Citation: Payment of fine; default.* If the respondent pays the full amount of the fine within the time allowed hereunder, the citation shall become final. If the respondent, within the time allowed pursuant to Paragraph 2, fails to pay the full amount of the fine or to file a Notice of Appeal, or if the respondent, having entered into an agreement with CPSD, fails to comply with any provision of that agreement, the respondent shall be in default, and the citation shall become final. In this event, the respondent shall have forfeited its right to appeal the citation, and CPSD shall immediately suspend the respondent's license. If the respondent fails to pay the full amount of the fine within 30 days thereafter, CPSD shall revoke the respondent's license, and may take any other action provided by law to recover any unpaid fine and ensure compliance with applicable statutes and Commission orders.
4. *Citation: Appeal.*
- (a) The Chief Administrative Law Judge shall designate an Administrative Law Judge to hear appeals of citations.
  - (b) Appeals of citations shall be heard in the Commission's San Francisco or Los Angeles courtrooms on regularly scheduled days. Appeals shall be calendared accordingly, except that a particular matter may be recalendared at the direction of the designated Administrative Law Judge.
  - (c) The appeal shall be brought by serving a Notice of Appeal upon CPSD, and the respondent shall indicate the grounds for the appeal in the notice. CPSD shall promptly advise the Chief Administrative Law Judge upon receipt of a timely Notice of Appeal.
  - (d) Upon advice from CPSD that a citation has been appealed, the Chief Administrative Law Judge shall promptly forward the matter to the

designated Administrative Law Judge, who shall set the matter for hearing on the first Citation Calendar not less than 10 days after advice of the appeal is received from CPSD. The Administrative Law Judge may, for good cause shown or upon agreement of the parties, grant a reasonable continuance of the hearing.

- (e) The respondent may order a transcript of the hearing, and shall pay the cost of the transcript in accordance with the Commission's usual procedures.
  - (f) The respondent shall be entitled to the services of an interpreter at the Commission's expense upon written request to the Chief Administrative Law Judge not less than three business days prior to the date of the hearing.
  - (g) The respondent may be represented at the hearing by an attorney or other representative, but such representation shall be at the respondent's sole expense.
  - (h) At the hearing, CPSD shall open and close. The Administrative Law Judge may, in his or her discretion, alter the order of presentation. Formal rules of evidence do not apply, and all relevant and reliable evidence may be received in the discretion of the Administrative Law Judge.
  - (i) Ordinarily, the appeal shall be submitted at the close of the hearing. In the discretion of the Administrative Law Judge upon a showing of good cause, the record may be kept open for a reasonable period to permit a party to submit additional evidence or argument.
  - (j) The Administrative Law Judge shall issue an order resolving the appeal not later than 30 days after the appeal is submitted, and the order shall be placed on the first available agenda, consistent with the Commission's applicable rules.
  - (k) From the date that CPSD receives a Notice of Appeal to and including the date when the final order is issued, neither the respondent nor the investigator, or agent or other person on behalf of the respondent or investigator, may communicate regarding the appeal, orally or in writing, with a Commissioner, Commissioner's advisor, or Administrative Law Judge, except as expressly permitted under these procedures.
5. *New Operating Authority.* A carrier whose license has been revoked hereunder may apply for new operating authority upon paying the fine in full. The application shall document (1) full payment of the fine, (2) correction of all violations for which the carrier was cited, (3) actions the carrier proposes in

order to prevent future violations, and (4) any other evidence demonstrating the carrier's ability and commitment to conducting its proposed operations in compliance with statutes and Commission orders.

This resolution becomes effective today.

I certify that this resolution was adopted by the Public Utilities Commission at its regular meeting on September 22, 2005, the following Commissioners approving it:
