INTRODUCTION

On January 26, 2026, I was assigned to investigate the operations and practices of Academy Stars LLC. This assignment was done after the Transportation Enforcement Branch (TEB) received a complaint, on January 6, 2026, alleging Academy Stars LLC was operating without authority and transporting students to [REDACTED] and various private schools.

Note: [REDACTED] (CEO) prior TCP permit for Bell Transportation LLC expired on May 11, 2025 (TCP 38632-B).

VIOLATIONS

I investigated Academy Stars LLC for the period of October 29, 2025, through February 4, 2026, and found violations of the following provisions of the Public Utilities (Pub. Util.) Code and Commission General Order (GO):

- **Operated as a charter-party carrier without valid operating authority in violation of Pub. Util. Code Section 5371 [51 counts].**

On May 30, 2025, Academy Stars LLC applied for a Transportation Charter-party carrier (TCP) permit, but its TCP permit did not become Active until February 5, 2026 (TCP 48190-B).

On April 1, 2026, I contacted driver [REDACTED] and requested records showing the dates he drove, waybills and the trips he made. Later that same day, he sent me eight Academy Stars LLC/Bank of America check copies showing he drove from October 29, 2025, through January 23, 2026, and a list of trips showing he drove to various schools, etc. from October 29, 2025, through March 18, 2026. Mr. [REDACTED] told me that he was paid by both cash and Bank of America checks.

On July 9, 2026, I spoke to [REDACTED], Director of Operations and she said she is running the business (Academy Stars LLC), and her son is Jason Angel Beltran, CEO. [REDACTED] also confirmed that [REDACTED] drove for Academy Stars LLC prior to their TCP permit becoming Active and that she signed his Bank of America checks.

On July 13, 2026, [REDACTED], Director of Operations sent me additional records showing she sometimes paid driver [REDACTED] via Zelle prior to their TCP permit becoming Active on February 5, 2026 (TCP 48190-B) [Attachment 1 and Table 1].
