INTRODUCTION

On June 25, 2026, I was assigned to investigate Wang Qiuzeng after the vehicle he was operating was impounded by the California Highway Patrol (CHP) for operating without a valid authority from the California Public Utilities Commission (CPUC).

VIOLATIONS

I investigated Wang Qiuzeng for the date of June 24, 2026, and found violations of the following provisions of the Public Utilities (Pub. Util.) Code:

- **Operated as a Charter-party carrier (TCP) without an operating authority in violation of Pub. Util. Code Section 5371. [1 count]**

On June 24, 2026, CHP Officer Tam and I observed a vehicle bearing California license plate [REDACTED] operating at San Francisco International Airport (SFO). We identified the driver as Wang Qiuzeng, who was providing for-hire transportation without valid operating authority from the CPUC [Attachment 1]. I conducted a carrier records check through the CPUC's Transportation Licensing and Analysis Branch (TLAB), which confirmed that Wang Qiuzeng has never held a CPUC operating authority [Attachment 2].

As a result, I issued Wang Qiuzeng a Cease-and-Desist Notice (C&D) and an Inspection Observation Report (IOR) for operating without a valid CPUC authority [Attachment 3]. Additionally, I obtained approval from the Transportation Enforcement Branch (TEB) Program and Project Supervisor (PPS) Eric Hooks to request that CHP Officer Tam impound the vehicle in accordance with established enforcement protocols [Attachment 4]. CHP Officer Tam completed a CHP 180 Vehicle Report [Attachment 5], and the vehicle was subsequently impounded.

DECLARATION

I have read the foregoing and know the contents thereof and I declare under penalty of perjury that the foregoing is true and correct, except as to those matters stated on information and belief, and to those matters, I believe to be true.

Executed on June 26, 2026, at Sacramento, California.
