INTRODUCTION

On August 29, 2024, I was assigned to investigate the operations and practices of Kebede M. Kaba dba All Bay Area Shuttle and Limousine (hereinafter referred to as Kebede Kaba), due to a complaint alleging that Kebede Kaba was operating during suspension of his Charter-Party Carrier (TCP) authority.

VIOLATION

I investigated Kebede Kaba for the period of June 1, 2024, through August 1, 2024, and found a violation of the following provisions of the Public Utilities (Pub. Util.) Code:

- **Failure to comply with the California Public Utilities Commission (CPUC) directive is a misdemeanor, in violation of Pub. Util. Code Section 5411.**
[1 count]

On June 23, 2024, CPUC's Transportation and Licensing Analysis Branch (TLAB) sent an Order of Suspension to Kebede Kaba via U.S. Mail [**Attachment 1**]. The Order informed Kebede Kaba that his operating authority was suspended on June 23, 2024, for failure to maintain adequate PL&PD insurance, and any unlawful operations are subject to fines and penalties as outlined in the Pub. Util. Code.

On June 25, 2024, Omar Teutle, CPUC's Transportation Analyst, observed Kebede Kaba at the San Jose International Airport (SJC) and issued an Observation Report [**Attachment 2**]. The Observation Report stated that Kebede Kaba's authority was suspended and the vehicle with license plate number [REDACTED] was not on the TCP equipment list. On July 17, 2024, TLAB sent an Order of Reinstatement to Kebede Kaba, informing him that his operating authority was reinstated [**Attachment 3**]. On the same day, Kebede Kaba's equipment list was updated with vehicle license plate number [REDACTED].

On September 17, 2024, I called Kebede Kaba, regarding the conclusion of my investigation, which resulted in a Warning Letter (WL) for violation of the Pub. Util. Code 5379: Operating during suspension of authority [**Attachment 4**]. During the call, Kebede Kaba hung up the phone as soon as I said hello. When I called back, I was sent to voicemail. In the voicemail, I informed Kebede Kaba about the WL and asked him to give me a call back at his earliest convenience. I then followed up with an email to [REDACTED] and attached the WL [**Attachment 5**]. On September 19, 2024, Program & Project Supervisor, Eric Hooks, sent a follow-up email, stating in part that “failure to comply and sign the WL will result in a minimum citation amount of \$2,000.” The carrier was given until September 24, 2024 to sign the WL but failed to respond [**Attachment 6**]. My investigation disclosed that Kebede Kaba failed to comply with the CPUC directive as he still has not responded to this day.

DECLARATION

I have read the foregoing and know the contents thereof and I declare under penalty of perjury that the foregoing is true and correct, except as to those matters stated on information and belief, and to those matters, I believe to be true.

CPUC Order of Suspension

This is notice from the California Public Utilities Commission (CPUC) that the **TCP CLASS B CERTIFICATE** listed on this letter is suspended.

The table below lists the reason(s) for suspension; the effective date of the suspension(s); and the date the permit/certificate will be revoked if the reason(s) for suspension are not resolved.

<u>Suspension Reasons</u>		
Reason	Suspension Date	Revocation Date
Failure to pay or report annual user fees (PUCTRA) - 2021	April 15, 2024	July 14, 2024
Failure to maintain adequate public liability and property damage (PL/PD) insurance	June 23, 2024	September 21, 2024

While voluntary suspensions may stay in effect until the permit or certificate expires, it may be revoked sooner for other reasons including failing to pay transportation user fees (PUCTRA) or failing to submit your annual CHP terminal safety inspection request(s).

After the cancellation or revocation of a permit or certificate, or during the period of its suspension, or after the expiration of its permit or certificate, it is unlawful for a Passenger Stage Corporation (PSC) or a Transportation Charter-Party carrier (TCP) of passengers to conduct any operations as a carrier. (California Public Utilities Code §§ 1045, 5379). Unlawful operations are subject to fines and penalties as set forth in the California Public Utilities Code and may include permanent revocation of your operating authority or being permanently barred from receiving an operating authority.

A carrier whose certificate or permit is suspended due to failing to pass a vehicle inspection by the California Highway Patrol (CHP) (California Public Utilities Code § 5378.5, Commission Resolution TL-18336) may obtain a reinspection of its terminal and vehicles by the CHP by submitting a written request for reinstatement to CPUC and paying a reinstatement fee of one thousand dollars (\$1,000). (California Public Utilities Code § 5378.5(b)). Upon receipt of a written recommendation from CHP to suspend a carrier's operating authority, a carrier may request a hearing of the suspension by making a written request to CPUC and the CHP showing cause why the suspension should not be continued.

If your suspension is due to failing to maintain insurance, you must contact your insurance provider to reinstate your policy on-file with the CPUC.

[Frequently Asked Questions](#)

WHAT HAPPENS IF I DON'T RESPOND?

If you do not respond to the citation within the 20 calendar days, you will be in default of the citation, and will lose your right to appeal the citation. In addition, CPED will immediately suspend your operating authority. If you do not pay the citation amount or make a payment arrangement by 30 days after suspension of your operating authority, CPED will revoke your operating authority. Once we revoke your operating authority, we cannot reinstate it. Instead, first you must pay the citation fine, and then apply to the CPUC for **new** operating authority and pay a filing fee. The CPUC may also act through a civil or criminal proceeding to recover any unpaid fines and to ensure compliance with applicable statutes and CPUC orders.

WHAT ARE MY RIGHTS?

If you file a Notice of Appeal, the CPUC will set a **hearing date** for your appeal to be heard before an Administrative Law Judge (ALJ).

Hearing Venue:

Until further notice, all appeal hearings will be telephonic due to the COVID-19 pandemic. Telephone instructions will be provided by the ALJ prior to the telephone hearing.

At the hearing:

There are two different types of Hearing Procedures for an Appeal to be heard before a CPUC Administrative Law Judge.

Expedited Citation Appeal Procedure

Resolution ALJ-377 provides for an expedited process for citations at or below the jurisdictional limit of the Small Claims Court in California as referenced in Public Utilities Code § 1702.1. This is currently \$10,000 for individuals and \$5,000 for corporations.

- Attorneys or representatives are not allowed to represent parties in the expedited process.
- No court reporters will be present, nor will a transcript be provided.
- You are entitled to have an interpreter present at the hearing to translate for you. The CPUC will provide the interpreter cost free. To have an interpreter at the hearing, you must make a written request to the Chief Administrative Law Judge and to the Office of the Public Advisor (see contact information, on this form) no later than five business days before the date of your hearing.
- You may provide evidence and call witnesses to testify for you. If you will be providing evidence for the record of the hearing, you must provide that evidence to CPED no later than three days before the date of your hearing.
- A party who is subject to the Expedited Citation Appeal Procedure, may at any time prior to the swearing in of the first witness at the evidentiary hearing, request termination of the Expedited Citation Appeal Procedure, and that the matter be recalendared for hearing under the Commission's regular procedure for Citation Appeals. The Commission or the assigned Administrative Law Judge, when the public interest so requires, may at any time prior to the filing of a resolution addressing the Citation Appeal, terminate the Expedited Citation Appeal Procedure and recalendar the matter for hearing under the Commission's regular procedure for Citation Appeals.

Regular Procedure for Citation Appeals

For cases exceeding the small claims threshold above, or when the appellant requests termination of the expedited procedure, the CPUC will use the regular procedure for citation appeals.

- You may have an attorney or someone else represent you, but you must pay for the attorney or other representative.
- You may ask for a transcript of the hearing, but you must pay the cost of the transcript.
- You are entitled to have an interpreter present at the hearing to translate for you. The CPUC will provide the interpreter, and you will not have to pay for the interpreter's service. To have an interpreter at the hearing, you must make a written request to the Chief Administrative Law Judge and to the Office of the Public Advisor (see contact information, below) no later than five business days before the date of your hearing.

- You may provide evidence and call witnesses to testify for you. If you will be providing evidence for the record of the hearing, you must provide that evidence to CPED no later than three days before the date of your hearing.

WHERE CAN I GET HELP?

The CPUC's **Public Advisor's Office** can help you file your appeal. The Public Advisor's Office cannot appear at the hearing with you or help you present your appeal but can help you understand the appeal process. The Public Advisor's Office can be reached at:

Note 1: *If you are filing the Notice of Appeal in hard copy, the Certificate of Service MUST be attached to the Notice of Appeal. If you are filing the Notice of Appeal electronically, according to P&P Rule 1.13(b), the Certificate of Service must be transmitted with the document as a separate document when filing electronically, and this separate document must have its own caption. (See generally Citation Appellate Rule 6 and P&P Rule 1.9(e).)*

Note 2: *A Citation Appeal must be served at a minimum on the Chief Administrative Law Judge (with a copy to: [ALJ Div Appeals Coordinator@cpuc.ca.gov](mailto:ALJ_Div_Appeals_Coordinator@cpuc.ca.gov)), and on the Director of the Consumer Protection and Enforcement Division, on the same day that the Notice of Appeal is filed. The Notice of Appeal must also be served on other entities if required by the Citation Program. (See Citation Appellate Rule 6.)*

M. Insert the date that the Notice of Appeal is served.

N. Insert the names and addresses (and email addresses if served electronically) of the persons served with the Notice of Appeal. The generic position names and addresses for the Chief Administrative Law Judge and Director of the Consumer Protection and Enforcement Division are listed on the template. Because the persons in these positions may change, you will have to look up the individual names and email addresses to insert in the template. These names and email addresses can be found on the Commission website.

O. Insert the date the Certificate of Service is signed.

P. Insert the name of the city in which the Certificate of Service is signed.

Q. The person who serves the Notice of Appeal must sign the Certificate of Service and their name must be printed under the signature line.

PRIVACY NOTICE FORM

Note: The citation appeal is filed with the CPUC, becomes a public record, and will be posted on the Commission's website. Therefore, any information you provide in the Notice of Appeal, including but not limited to, your name, address, city, state, zip code, telephone number, email address, the facts of your rationale for the citation appeal and any other facts stated therein, will be available on-line for later public viewing. The Privacy Statement attached to the Notice of Appeal must be filled out.

In limited circumstances, the CPUC may file a document under seal. If you wish to seek to file the Notice of Appeal with some or all of the information under seal, you cannot file electronically and must file in hard copy. Furthermore, that document must be tendered with a motion setting forth the rationale and legal citations as to why portions of the document should be filed under seal and tendered as follows. The Notice of Appeal itself and requisite exact copies should be tendered in both a redacted form (e.g., the document with the alleged confidential information excised) and unredacted form (e.g., a complete copy of the document, with both the public and allegedly confidential information included, in a sealed envelope). It is anticipated that Notices of Appeal for citation appeals will be filed as public documents. In the unlikely event you believe that there are legal grounds for filing a portion of the Notice of Appeal under seal, it may be helpful to consult a private attorney or representative to assist in your representation. However, please note that the timeframes for filing a Notice of Appeal in many citation appeals are short, so you should commence this process as soon as possible.

R. Sign and date the Privacy Notice and print your name under the signature.

PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Resolution ALJ-187
Administrative Law Judge Division
September 22, 2005

RESOLUTION

RESOLUTION ALJ-187. Adopts Procedures for Appeal of Citations Issued to Household Goods Carriers, Charter Party Carriers, and Passenger Stage Corporations.

By a series of previous resolutions, the Commission has developed a program under which the Consumer Protection and Safety Division (CPSD) is authorized to issue citations to various classes of carriers for violation of the Public Utilities Code or Commission orders. In turn, a carrier issued such a citation may accept the fine imposed or contest it through a process of appeal. Now, in an effort to make this program more comprehensive and this process more efficient, the Commission has prepared new procedures to govern the appeal of these citations.

A draft of this resolution was issued on August 19, 2005, for public review and comment. No one filed comments. The resolution is adopted as originally proposed with minor clarifications.

IT IS THEREFORE RESOLVED that the following procedures shall govern appeals of citations for violation of statutes or Commission orders relating to household goods carriers, charter party carriers, and passenger stage corporations:

1. *Citation: Contents.* The citation served upon the respondent by the investigator shall include:
 - (a) A specification of each statute or Commission order allegedly violated;
 - (b) A statement of the facts upon which each alleged violation is based;
 - (c) A statement that the respondent may either pay the amount of the fine set forth in the citation or appeal the citation, as set forth herein, and that the respondent will forfeit the right to appeal the citation by failing to do either of these things within the allowable period;

- (d) An explanation of how to file an appeal, including an explanation of the respondent's right to have a hearing, to have a representative at the hearing, to request a transcript, and to request an interpreter; and
 - (e) A form of Notice of Appeal, and the form for requesting an interpreter.
2. *Citation: Response.* The respondent, within 20 days after the date of service of the citation, shall either remit payment of the full amount of the fine to CPSD, agree with CPSD on conditions for payment, or serve a Notice of Appeal upon CPSD. Upon request made to CPSD before the expiration of this deadline, the time to pay the fine or serve a Notice of Appeal may be extended by CPSD for a reasonable period not to exceed 30 days. CPSD may, in its discretion, grant one additional extension at the request of the respondent.
 3. *Citation: Payment of fine; default.* If the respondent pays the full amount of the fine within the time allowed hereunder, the citation shall become final. If the respondent, within the time allowed pursuant to Paragraph 2, fails to pay the full amount of the fine or to file a Notice of Appeal, or if the respondent, having entered into an agreement with CPSD, fails to comply with any provision of that agreement, the respondent shall be in default, and the citation shall become final. In this event, the respondent shall have forfeited its right to appeal the citation, and CPSD shall immediately suspend the respondent's license. If the respondent fails to pay the full amount of the fine within 30 days thereafter, CPSD shall revoke the respondent's license, and may take any other action provided by law to recover any unpaid fine and ensure compliance with applicable statutes and Commission orders.
 4. *Citation: Appeal.*
 - (a) The Chief Administrative Law Judge shall designate an Administrative Law Judge to hear appeals of citations.
 - (b) Appeals of citations shall be heard in the Commission's San Francisco or Los Angeles courtrooms on regularly scheduled days. Appeals shall be calendared accordingly, except that a particular matter may be recalendared at the direction of the designated Administrative Law Judge.
 - (c) The appeal shall be brought by serving a Notice of Appeal upon CPSD, and the respondent shall indicate the grounds for the appeal in the notice. CPSD shall promptly advise the Chief Administrative Law Judge upon receipt of a timely Notice of Appeal.
 - (d) Upon advice from CPSD that a citation has been appealed, the Chief Administrative Law Judge shall promptly forward the matter to the

designated Administrative Law Judge, who shall set the matter for hearing on the first Citation Calendar not less than 10 days after advice of the appeal is received from CPSD. The Administrative Law Judge may, for good cause shown or upon agreement of the parties, grant a reasonable continuance of the hearing.

- (e) The respondent may order a transcript of the hearing, and shall pay the cost of the transcript in accordance with the Commission's usual procedures.
 - (f) The respondent shall be entitled to the services of an interpreter at the Commission's expense upon written request to the Chief Administrative Law Judge not less than three business days prior to the date of the hearing.
 - (g) The respondent may be represented at the hearing by an attorney or other representative, but such representation shall be at the respondent's sole expense.
 - (h) At the hearing, CPSD shall open and close. The Administrative Law Judge may, in his or her discretion, alter the order of presentation. Formal rules of evidence do not apply, and all relevant and reliable evidence may be received in the discretion of the Administrative Law Judge.
 - (i) Ordinarily, the appeal shall be submitted at the close of the hearing. In the discretion of the Administrative Law Judge upon a showing of good cause, the record may be kept open for a reasonable period to permit a party to submit additional evidence or argument.
 - (j) The Administrative Law Judge shall issue an order resolving the appeal not later than 30 days after the appeal is submitted, and the order shall be placed on the first available agenda, consistent with the Commission's applicable rules.
 - (k) From the date that CPSD receives a Notice of Appeal to and including the date when the final order is issued, neither the respondent nor the investigator, or agent or other person on behalf of the respondent or investigator, may communicate regarding the appeal, orally or in writing, with a Commissioner, Commissioner's advisor, or Administrative Law Judge, except as expressly permitted under these procedures.
5. *New Operating Authority.* A carrier whose license has been revoked hereunder may apply for new operating authority upon paying the fine in full. The application shall document (1) full payment of the fine, (2) correction of all violations for which the carrier was cited, (3) actions the carrier proposes in

order to prevent future violations, and (4) any other evidence demonstrating the carrier's ability and commitment to conducting its proposed operations in compliance with statutes and Commission orders.

This resolution becomes effective today.
