RE: Continuing Coordination on Federal Funding Opportunities in the Infrastructure Investment and Jobs Act of 2021

Dear President Reynolds,

Thank you for your December 8, 2022 letter regarding coordination on the federal funding opportunities in the Infrastructure Investment and Jobs Act (IIJA) of 2021. PacifiCorp is considering the opportunities in the IIJA and determining which projects would be most beneficial to our customers.

PacifiCorp submitted concept papers for the 40101c and 40107 grid resiliency programs. PacifiCorp has also recently met with the California Public Utilities Commission and California Energy Commission regarding potential efforts relating to the 40103 grid resiliency program.

PacifiCorp looks forward to continued coordination with the California Public Utilities Commission and the State of California on IIJA matters. Should you have any questions please reach out to Pooja Kishore, Regulatory Affairs Manager at (503) 813-7314.

Sincerely,

Matthew McVee
Vice President, Regulatory Policy and Operations
