Case No. [TO BE ASSIGNED]

**DECLARATION OF SCOTT M. SACKETT
IN SUPPORT OF EX PARTE APPLICATION**

Hearing: [TO BE SET UPON DEPARTMENT
ASSIGNMENT]

Remote appearance requested [Cal. Rules of
Court, rule 3.672]

Action filed: [August 27, 2026]

1 I, SCOTT M. SACKETT, declare:

2 1. I have personal knowledge of the facts stated herein and if called to testify, I
3 could and would testify to such facts.

4 2. I am the President of Fiduciary Management Technologies in Sacramento,
5 California. I have provided receivership and fiduciary services for approximately 24 years. I
6 have served as a receiver, Chapter 11 trustee, examiner, chief restructuring officer, and special
7 master. I hold a B.S. in mechanical engineering from the University of California at Berkeley
8 and completed the California Receivers Forum's advanced receivership law and practice
9 program at Loyola Law School. I sit on the State Board of Directors of the California Receivers
10 Forum and am a past State Chair.

11 3. Two of my appointments have involved water systems. In *The Oaks Rancho v.*
12 *Ray*, the Kern County Superior Court appointed me as receiver over a corporation managing
13 common-area land and an association residential development; my duties included deferred
14 maintenance and infrastructure rebuild for the community's potable water and fire control water
15 systems. In *Heer v. Nor-Cal Pump & Well Drilling*, I served as provisional director of a
16 contractor drilling wells for municipal water supplies in California.

17 4. My other appointments include operating businesses with health and safety
18 violations, deferred maintenance, and court-supervised sale. In *In re Aiad & Hoda Samuel*, I
19 took control of a distressed real estate portfolio with no starting funds, cleared county code
20 violations, and sold four shopping centers. In *California Housing Finance Agency v. Twin Pines*
21 *Apartments Associates*, I managed a 40-unit low-income complex through health and safety
22 correction and sale. **Cases in which I have served in a fiduciary capacity are listed in my**
23 **curriculum vitae, attached as Exhibit 1.**

1 5. I am informed of the nature of this action and the relief requested: appointment
2 of a temporary receiver to take possession and control of the water system serving Havasu
3 Water Company's approximately 226 customers in Havasu Lake, San Bernardino County, and
4 to operate the system pending further order of the Court. I am willing and able to serve, and I
5 am available to assume possession of the system promptly upon appointment. My taking of the
6 property would not stop or seriously interfere with the operation of the business; operation of
7 the water system would continue under my control.

8 6. My current receivership billing rate is \$375 per hour, plus reimbursement of
9 costs. I intend to utilize my receivership administrative staff, who currently bill at rates from
10 \$60 to \$175 per hour, to minimize the fees for administering this receivership estate. My fees
11 and costs are subject to review and approval by the Court.

12 7. I do not have any oral or written contracts, agreements, arrangements, or
13 understandings between myself and any other party with respect to management roles during
14 and after this receivership; the administration of this receivership, including but not limited to
15 the receivership fees or who may be hired to provide services to the estate; what expenditures, if
16 any, will be made in connection with the receivership property; or whether I or anyone retained
17 by me will have any involvement with the receivership property after the termination of this
18 receivership.

19 8. I understand that if I am appointed as Receiver by the court, I will be the agent of
20 the court and not of any party, and as such will be neutral, act for the benefit of all who may
21 have an interest in the receivership property, and hold assets of the receivership estate for the
22 court and not for any party.

23 9. If appointed as receiver, I will perform the duties of receiver faithfully and in
24 accordance with the law to the best of my ability, and I will take the oath and post the bond the
25 Court requires under California Code of Civil Procedure section 567 in the amount the Court
26 sets.

1 10. I am available to appear at the hearing on this application, including by remote
2 appearance, and to answer the Court's questions about the matters stated in this declaration.

3
4 I declare under penalty of perjury under the laws of the State of California that the
5 foregoing is true and correct.

6
7 Executed on August 25, 2026, at Sacramento, California.
