Subject: A.22-09-006; Rescheduling of Public Participation Hearings in San Diego, California

To the Parties and Service List:

On May 23, 2025, I issued a ruling noticing two Public Participation Hearings (PPHs), among several others, to be held on July 14, 2025, at the University of California at San Diego (UCSD) Price Center Theater, the same campus on which San Diego Gas & Electric Company (SDG&E) had originally proposed to build and operate a pilot project for purposes of the above-referenced Commission proceeding.

On June 12, 2025, SDG&E filed a Motion to Change the Location of those two PPHs and simultaneously announced that it had changed the planned location for building its pilot project from the UCSD campus to a property that SDG&E owns about ten miles from the UCSD campus.

I then vacated the July 14 date for the two PPHs related to SDG&E's proposed pilot project to afford sufficient time for the Commission's Public Advisors Office (PAO) to locate a venue for the PPHs nearer to the new location for SDG&E's pilot project. PAO has recently accomplished that task.

ACCORDINGLY, IT IS ORDERED:

1. On Friday, September 26, 2025, two Public Participation Hearings (PPHs) concerning the pilot project proposed by San Diego Gas & Electric Company (SDG&E) in this proceeding, will be conducted in Conference Room 100A at the United Way of San Diego, 4699 Murphy Canyon Road, San Diego, California. One PPH will begin at 2:00 p.m. and last no more than two hours. The second PPH will begin at 5:00 p.m. and end no later than 7:00 p.m.
2. San Diego Gas & Electric Company shall, in consultation with the Public Advisors Office, provide notice to the public of the rescheduled Public Participation Hearings ordered herein in the manner described in Ordering Paragraphs 2 through 5 of my ruling dated and filed May 23, 2025, with appropriate modifications to conform to the new times and location.

The Docket Office shall formally file this Ruling.

Dated September 8, 2025, at San Francisco, California.
