<b>COMMISSION POLICY</b>	
Category: <b>Strategic Directive</b>	Title: <b>Environmental Sustainability</b>
	Policy Number: <b>SD-?</b>
Date of Adoption:	Resolution No.
Revision:	Resolution No.

The CPUC is committed to environmental and economic sustainability defined as adopting policies that meet the needs of the present without compromising the ability of future generations to meet their needs.

The CPUC will:

1. Implement State law and develop policies that are consistent with California's environmental and economic sustainability goals and laws.
2. Consider the impact of all CPUC decisions and policies on California's natural resources.
3. Ensure that CPUC decisions take disadvantaged communities into consideration, and that both the benefits and burdens of CPUC resource decisions are equitably allocated.
4. Promote relationship building with stakeholders including local governments, tribal entities, and federal agencies that are also stewards of California's natural resources.
