Item #30 [23355] – Clean Energy Access Grant for LA County

Res M-4875

PROPOSED OUTCOME:

- Approves the addition of the Clean Energy Access (Phase 2): Los Angeles County TECH Grant, which will be part of the Clean Energy Access Grant Account under the Equity and Access Grant Program. The grant provides funding to Community-Based Organizations in Los Angeles County for outreach and education on the Technology for Equipment and Clean Heating Initiative. It focuses on building decarbonization, healthy homes, electrification technologies, and health-related impacts. The initiative aligns with Assembly Bill 157 and supports access to the Aliso Canyon Recovery Account. Priority will be given to projects serving the Aliso Canyon Disaster Area and San Fernando Valley.

SAFETY CONSIDERATIONS:

- There are no safety considerations associated with this resolution.

ESTIMATED COST:

- \$2,000,000 from the Aliso Canyon Recovery Account will be allocated.

Equity and Access Grant Program Background

- In the Budget Act of 2022 (AB 179), the Legislature appropriated General Fund for capacity grants to Tribes and CBOs for participation in CPUC decision making processes and clean energy programs.
- The Equity and Access (E&A) Grant Program was created in 2023 with 3 separate grant accounts to implement this legislation, including the Clean Energy Access (CEA) Grant Account, which supported MIP, SGIP, and TECH.
- In September 2024, through the Budget Act of 2024 (AB 157), the Legislature appropriated \$2,000,000 to the Equity and Access Grant program from the Aliso Canyon Recovery Account for community-based organizations to conduct outreach and education for LA County residents on building decarbonization, healthy homes, electrification technologies and related health impacts.

CEA-LAT Grant Account Summary

Maximum Award: \$ 200,000

Award Selection: Competitive

- For 501c3 organizations that provide **outreach and education on the TECH Clean California Initiative**, especially its health benefits, and make TECH more accessible to those who would like to participate.
- Funded activities must include **education and outreach** and **data collection and evaluation** of project impact, and can also include staff training, coordination with the TECH Initiative implementer, and supporting program participants.
- Projects must serve LA County residents. Organizations located in the Aliso Canyon Disaster Area and San Fernando Valley will be prioritized for funding.

CEA-LAT Grant Process

- April 23, 2025, Webinar
- Applications accepted in one or two cycles, depending on submissions received. Cycle: May 1-June 30, 2025
- Applicants detail their qualifications, community need, and plan for outreach, education, and evaluation
- Competitive scoring and selection process by CPUC staff
- Projects begin late 2025 or early 2026
